## Experience

### Next EdVentures

Partner

January 2019 - Present (1 year 8 months)

Next EdVentures is an investment firm, specialising in Education sector. We don't consider Education as a "business", but as a "service". Therefore, we partner with like minded organisations and individuals; you will see all our products reasonably priced with excellent feedback from customers.

Helped build these ventures from scratch:

#### 1. [www.MyMBAJourney.com](http://www.MyMBAJourney.com), Partner (2015-Present)

- We support students applying to top MBA programs abroad. We have grown to become one of the most trusted names in MBA Admissions Consulting space with admits to Harvard, Stanford, Yale, INSEAD, LBS, MIT and the likes.

- Unlike most Admissions Consultants, you can ACTUALLY SEE our clients speak about our work on videos (these are real and verifiable testimonials): <https://www.youtube.com/channel/UC4D8GbPR0OwRCLbyRaCjY4A>

#### 2. [www.GlobalCollegeinfo.com](http://www.GlobalCollegeinfo.com), Investor (2018-Present)

- A free network for High School students to access quality information about study abroad options.

#### 3. [www.casesovercoffee.com](http://www.casesovercoffee.com) (June 2020-Present)

- A peer-to-peer case prep platform, supporting students to hone their corporate and case solving skills.

(++++ investments in other ventures)
