# Abhishek Roy

IIT Madras |(Upcoming)M.Tech || Mechanical Engineer  
Rewa

## Summary

Exceptionally skilled Mechanical graduate with ability to manage and creatively utilize resources and also to prioritize work in systematic manner that facilitate the effective performance.

Qualified Graduate Aptitude Test in Engineering Two times|  
Shortlisted for Interviews in NITIE,Mumbai and several IITs.

Skilled in Google Analytics, MATLAB , Python, Basic RPA, Basic Java.

I am highly exuberant , responsible and committed individual with a keen interest in participating in design research that actively seeks energy efficient solutions.

I have experience in improvising the mechanism of single acting reciprocating air compressor by arranging it with a quick return mechanism during my final year project under guidance of Asst. Professor Vinod Singh Rajput, Dept. of Mechanical Engg. from State Govt. Engineering College Nowgong, Madhya Pradesh.

I have engaged with JayPee Group for understanding Cement Grinding Process and Storage Mechanism during my summer training that led to an extraordinary gain in experience for me in short duration.

Apart from being a learner, I am:

- Educator on Unacademy with 1000+ watch minutes.
- An arbitrary reader of philosophical books.
- I love playing chess, travelling and to know more about human minds and behaviour.

---

## Education

Government Engineering College Nowgong, District Chhatarpur,  
Madhya Pradesh

Bachelor of Engineering - BE, Mechanical Engineering · (2014 - 2018)

Bal Bharti School, District Rewa, Madhya Pradesh

Senior School Certificate Examination(12th), Mathematics and Informatics  
Practices · (2012 - 2014)

Bal Bharti School, District Rewa, Madhya Pradesh

Secondary School Examination(10th), Science
